Re: 1244 Broadway, Hewlett, NY
Request for Access

Dear Mr. Praschak:

Thanks for your letter of even date.

In regard to the second paragraph of your letter, I just wanted to confirm that the appropriate person to contact is David Rosenblatt, at Cedarwood Cleaners. Since Ms. Sosa contacted him previously, I trust that she will follow up with him.

In regard to the last paragraph of your letter, it would be greatly appreciated if you or Ms. Sosa could forward a copy of the final RI/FS reports referenced in the Record of Decision, Doc. ID ## 111363 and 111364, regarding the Peninsula Boulevard Groundwater Plume, in electronic form, via email or CD, as they do not appear to be available on the EPA website.

Best wishes for a Happy Thanksgiving.

Sincerely,

Leslie R. Bennett
